

Land History Affidavit

Please submit this form to CSI if you wish to include land in your application that has not had prohibited substances applied in the past 24 months (for cultivated farmland), or land that is designated as a harvest area for wild crops and has not had any prohibited substances applied for the past 3 years. If the land has been managed by someone else, please have the previous owner/renter complete the information below and sign for the appropriate field(s). Attach additional pages as required.

Name of applicant	Date
-------------------	------
